## On Thursday 6th May will you choose real **HOPE** or decline for Britain and Kingston?

- The worn out Labour Government promised so much but delivered so little. But it DID use your Council Tax as a Stealth Tax and it has left Britain in the worst economic and social mess in its history!
- The complacent Lib Dem Administration in the Guildhall has fared no better— but it HAS made you pay the highest Council Tax in London during its eight long years of power!
- **The decline of our Borough and our Country is not inevitable. It can and will be reversed—with the Conservatives!**

We want to put fresh life into Britain and Kingston—working with a Conservative Mayor—Boris Johnson—and a Conservative MP—Helen Whately—and a Conservative Government!

## Our key local pledges to you

1. We will guarantee to freeze Council Tax for 2 years and, through our drive for better value for money and reforms, we will seek to extend this for a further two years.
2. We will guarantee the expansion of our Primary and Secondary Schools to ensure more parental choice—and we will consult on sites before decisions are made.
3. **We will protect our Libraries and Care Homes.**
4. **We will be transparent by publishing all Councillor expenses and Council Contracts worth over £500.**
5. **We will do more to prevent crime and will not tolerate anti-social behaviour.**
6. We will work with residents and their organisations for the wellbeing of all in Surbiton Hill without exception.

# Caring and campaigning

School Lane - new windows at last!

Awards to keen gardeners—every leaf really does count!

Saving post offices—we're fighting for all our local services

Roads and pavements need maintaining—we got this done and we're working on more!

Nick really loves running a tombola stall—in a good cause and for local residents!

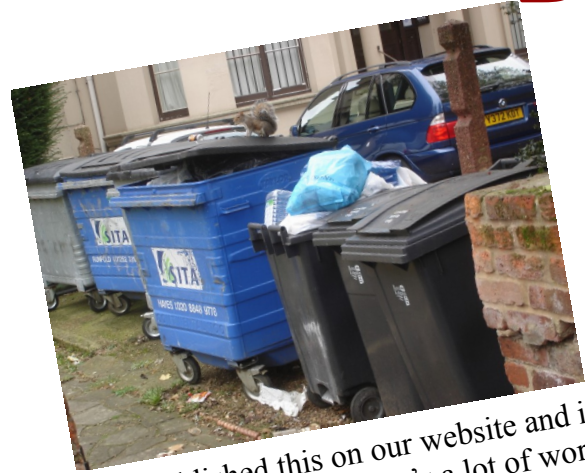

# Surbiton Hill

# for our community

We're here for all of you —whatever the issue!

We published this on our website and it was tidied up—but there's a lot of work to do in Oakhill - so we helped to start Oakhill and District Residents' Assoc. and are working closely with its members.

We ran surgeries for residents almost every month and we opened our website <http://surbitonhillcllr.com>. We also got out and about on our mobile base—the C-pod—three times in the last few months in different parts of the ward.

The Ellerton Road/Bond Road area is worth fighting for—so we helped set up a Residents' Association.

Together with Helen Whately we have fought for four years to keep Surbiton Hospital site for health care—we value our local health services, including our pharmacies, because we all use them.

# - worth fighting for
